

How much does it cost to install solar panels?

For the average 3.5kWp solar installation, business costs will come to approximately £2,450. The remaining 10-30% of the cost goes towards labour - the people who will actually fit your panels and the associated kit. This range should cover all domestic installations, including large jobs with more than 20 panels.

How much does a solar panel cost per kilowatt?

Exactly how much a solar panel costs per kilowatt depends on the type of solar panel you're talking about. Monocrystalline solar panels are the most expensive, and their cost per kW is somewhere around £1,000 - £1,500 whereas polycrystalline solar panels cost about £900 per kW.

How much will 10 solar panels cost in the UK?

The cost of 10 solar panels in the UK can vary based on several factors, including the type of panels and the brand you choose. Depending on the size of the solar panels, it will cost between £5,000 to £6,000 to install 10 solar panels, not taking into account labour costs.

How much does it cost to clean solar panels?

You can also hire someone to do it professionally, which will usually cost around £10 per panel - so the total cost will depend on how many panels you have. If it snows on your panels, don't brush it off, as this will probably cause them damage. It'll melt on its own. To learn more, read our guide to solar panel cleaning.

How much does solar panel maintenance cost?

Solar panels generally require minimal maintenance, but cleaning solar panels is important to ensure optimal performance. This can be done by professionals, which may incur some costs. Typically, annual solar panel maintenance costs are about £100 - £200.

How much does a solar & battery system cost?

The average cost of a 3kWp solar panel system for a typical property with two or three bedrooms is about £9,000, including installation. This jumps up to around £11,000 if you're adding a 5kWh battery. This is a great time to get a solar & battery system, as there's currently 0% VAT on both panels and batteries.
