Featuring a vast range of Bank note checkers and money counters. UV, Magnetic, IR, 3D detection and some with ECB Certification. Making checking notes fast, easy and safe.

Many of the advanced machines have variable note counting speeds. In basic counting mode, they operate at full speed. If counterfeit checks are activated, the note counting machine will operate at a slightly lower speed. Counting machines with adjustable speed settings allow you to set the speed to the optimum level to balance speed and ...
