

How do people buy goods in Nouakchott?

Most goods are retailed through small shops, boutiques, or by vendors in the sprawling open-air markets prominent in Nouakchott and other towns. The informal sector remains robust, involved in everything from the sale of livestock and vehicles to spare parts, used clothing, and vegetables.

What kind of batteries does NPP manufacture?

By using it, you accept our use of cookies Built in 1999, NPP specializes in manufacturing Lead Acid Batteries, AGM Batteries, Deep Cycle Batteries, High Rate Batteries, and Lithium Batteries.

Are brand name batteries a good investment?

Brand name batteries offer some of the highest returns per square foot of any consumer product currently on the market. This makes them a guaranteed recession-proof revenue stream for any retailer.

Do you supply batteries in retail-ready packaging?

We're able to supply batteries in retail-ready packaging, along with the Point of Sale displays you need to start generating immediate returns. All of our batteries can be supplied within 48 working hours in retail-ready and tamper-proof packaging to retailers across the globe, ready to go straight on the shelves.

Do you need a distributor in Nouadhibou?

Medium-sized stores and small supermarkets are increasingly common, especially in Nouakchott and Nouadhibou. Using a distributor is not legally required, although using a local agent is required in the fisheries, agriculture, and telecommunication sectors. Increasing numbers of local businesspeople express interest in representing U.S. companies.
