

Where can I buy a car battery?

At Halfords, we're with you for the journey. Get a car battery check, buy a replacement car battery and have it fitted at Halfords or at home. Buy online or in-store!

Can I buy a new car battery online?

Buying a new car battery online from ATS Euromaster means that you can make the most of our exclusive online prices. You can even make an appointment at your nearest ATS Euromaster centre to get your new car battery fitted today. Which car battery do I need?

What type of battery does a car use?

All plug-in electric and hybrid cars use lithium-ion batteries or nickel-metal hydride batteries. These store energy over time, so have a much greater energy capacity. What are car battery cycles? Car batteries have two main cycles. The first is a charge cycle that occurs when you're driving and charging the battery.

Do I need to buy a car battery?

A trained technician will assess the health of your car's battery, and advise on whether it's good to go or in need of replacement. There's no obligation to buy either. You can find our entire range of car batteries and car battery charging accessories online.
