

What is a mobile trailer solar power system?

A mobile trailer solar power system is a fully transportable solar power system designed to supply relatively small remote houses, radio repeater equipment, and other remote loads. Priced similarly to an installed system of the same capacity, it features 240VAC pure sinewave output and more than 4 days of battery backup capacity.

Where can a solar trailer generator be used?

Depending on the power needs of the customer, solar trailer generators can continuously supply energy in remote locations where commercial power is not available. Our off-grid solutions are the ideal solution to where permanent power has not been established.

What is a portable solar trailer unit?

A portable solar trailer unit refers to solar panels mounted on compact trailers and heavy duty work trailers. These units provide 4.5 kWh to 24 kWh per day. You can set up a rental unit for small or large events. Any trailer can be retrofitted with solar for Solar Power anywhere anytime.

Which are the best solar powered camping trailers?

The Bowlus Road Chief, Bruder EXP-6, and Colorado are solar powered camping trailers that are popular choices. The Bowlus Road Chief features an aluminum skinned body, while the Bruder EXP-6 is a storm-proof off-road trailer capable of accommodating adults of average and above-average height. The Colorado is also a solar-powered off-road teardrop trailer.

What components are included in a solar trailer?

A solar trailer includes a 210W to 250W solar panel, a Blue Sky Energy Solarboost 3024DiL MPPT solar regulator, and a Geltech deep cycle battery bank. The trailer also features a vandal resistant lockable equipment enclosure and an 8m extendable mast for communications antennae.

Do solar trailer generators make noise?

Our solar trailer generators produce no noise, no waste, and are virtually maintenance free. Depending on the power needs of the customer, solar trailer generators can continuously supply energy in remote locations where commercial power is not available.
