

This highly efficient switch mode step-down DC-DC converter converts an input voltage of 48 VDC nominal (range 35 VDC to 60 VDC) to a highly regulated ...

Step up & Down Transformer 110V to 220V Voltage Converter / Electronic Power Transformer, Find Details and Price about Transformer up& Down Transformer from Step up & Down ...

Size: 5mm Color: RED Head Shape: Round Lens Appearance: Transparent ... ZK-SJ4 is a DC adjustable constant voltage, constant current step down/up power supply module. ...

This power supply module is based on the AMS1117 5V regulator. It is capable of regulating a wide range of input voltage (6.0 to 12V) down to a fixed 5V output at up to 1A Standard ...

Achieve precise voltage regulation with XH-M401 DC-DC Step-Down Buck Converter Power Supply Module. Empower your electronics--order now for superior performance! ... Socket ...

MPPT Solar Controller Solar Panel DC to DC 5A Step Down Buck Converter Constant Voltage Constant Current Power Supply Module. Item ID: 6978. 5 9. Price: \$8.26 \$5.78. ...

1. It can support high-power LED. 2. It can power supply for electronic devices. 3. For a variety of battery charge, can observe the state of charge. 4. As a car power supply, it can for your ...

China Step Down Converter wholesale - Select 2025 high quality Step Down Converter products in best price from certified Chinese Transformer manufacturers, Step Motor suppliers, wholesalers and factory on Made-in-China ... Other Product: Solar Controller/Power Supply/Frequency Converter. 1 / 6. Favorites. 200kw DC DC Step Down Converter for ...

Buy step-down buck converter power supply modules online at the best prices from MakerBazar . We offer a wide range of modules, with input voltages ranging from 5V to 40V and output voltages ranging from 1.25V to 36V. Our ...

Buy MPPT 750W Stepdown Solar Controller 18V-80V Input Charging For 12V 24V Lithium Lead-acid Gel Battery Real-time Tracking Adjustab at Aliexpress ...

Founded in 2005, SUNKAX Technology Limited is a leading manufacturer and exporter for clean power, such as solar inverter, step up/down voltage transformers, consumer electronics (travel ...
