

Where do lithium battery wholesalers purchase their products

Where can I buy a lithium ion battery?

Fogstar Wholesale is the UK's leading supplier for businesses looking to buy trade quantities of lithium batteries and accessories. Our award-winning selection features 18650 and 21700 lithium-ion batteries in bulk quantities, perfect for powering a wide range of devices.

Can you buy a lithium battery directly from a manufacturer?

However, a few lithium battery manufacturers sell their batteries direct to the public. Being able to buy direct from the manufacturer offers a few advantages. The battery manufacturer often knows more about their batteries than anyone and can answer any questions you have. They can even help you design the optimal system.

Are lithium-ion batteries sold directly to consumers?

Most lithium-ion batteries are not sold directly to consumers-- you can't run down to your typical corner drugstore to pick up a replacement battery for your iPhone, your PC, or your electric car. Instead, manufacturers buy lithium-ion batteries and build them into electronics and cars.

Is it worth it to buy a cylindrical battery?

It's worth it! We have new cylindrical options. Apologies for any inconvenience caused. All our trade prices are hidden from the public, sign up, or sign in to see them. Fogstar Wholesale is the UK's leading supplier for businesses looking to buy trade quantities of lithium batteries and accessories.
